

## For Friendship.

### Our Goal:

To create a community where youth with physical disabilities are empowered and supported.

### What is TAC: Social?

A year-round peer group for adolescents with physical disabilities co-led by mentors with physical disabilities. We provide an environment where youth will learn to advocate for themselves, while creating lifelong friendships, ultimately developing into young adults with an increased sense of independence, confidence, and happiness.

## For Mentorship.

## For Future.

**YOU CAN BE THE DIFFERENCE IN A CHILD'S LIFE!**
